Front End Developer

March 2024

Dear Hiring Team,

I am writing to express my strong interest in the Front-End Web Developer position at Altius Technologies. With 1.5 years of experience in web development, I possess a solid foundation in building user-centric and visually appealing web applications. Throughout my career, I've thrived on translating design concepts into functional and engaging web interfaces. My passion for user experience aligns perfectly with the requirements outlined in the job description.

Key Skills:

- Proficient in ReactJS , AngularJS , and Ionic Frameworks
- Experience with preprocessors like LESS/SASS
- Strong grasp of client-side scripting (asynchronous requests, AJAX, DOM manipulation)
- Familiar with JavaScript, HTML 5, CSS 3
- Understanding of cross-browser compatibility practices
- Proficient in Git for version control

I am a highly motivated individual with a strong desire to learn and adapt to new technologies. I am confident that I can quickly become a valuable asset to your team. Thank you for your time and consideration. I have attached my resume for your review, which further details my qualifications and experience.

Sincerely,

Arun Kumar M
